Multiple District Pins Committee

The Multiple District Pins Sub-committee develops an annual District Lapel Pin. The Chairperson designs one (1) lapel pin for one (1) District of the Multiple, per year. The four Districts of the Multiple receive a new lapel pin design every four years.

Position Requirements

The Chairperson has no specific MD N Sub-committee position requirements. Communication of the lapel pin design and related activities is important – to the MD N Council, to District, and to the selected pin designer(s) / manufacturer(s).

Responsibilities & Performance Goals

- The Pins Committee
- Determines which District will receive a new lapel pin, for the current year
 - Consults with, and keeps informed, the MD N Council regarding **all** pin design, tasks and deliverables
 - Designs, at minimum, a guideline for a new Lapel Pin, of sufficient quality to present as a proposal to the MD N Council (this is not necessarily the final pin design)
 - Determines the number of lapel pins to purchase for the year
 - Seeks out professional lapel pin designers/suppliers to
 - create an RFQ (Request for quote) for a formal pin design
 - work with a pin designer to create professional lapel pin Artwork
 - get the best pricing for the proposed pin production run
 - Presents to the MD N Council the final Lapel Pin Artwork proposal and production cost
